Sprint:	DH Sprint 3

Description

When the user attempts to add a review with special characters, the system does not allow the review to be submitted, even though it should.

Steps to Reproduce:

1. Click on the "Comentarii" button.
2. Complete the "Numele tău" field.
3. Complete the "Subiect" field.
4. Complete the "Comentariu" field.
5. Click on the "Trimite comentariu" button.

Expected Result:

The system should allow the submission of the review regardless of the content entered.

Actual Result:

The system displays an error message and does not allow the submission of the review with special characters.

Sprint:	DH Sprint 3, DH Sprint 1

Description

When browsing the petmart.ro website, the prices displayed for certain products are incorrect. The prices displayed are lower than the actual prices of the products.

Steps to Reproduce:

- Go to petmart.ro
- Select a product.
- Add the product to the cart.
- Verify that the product added to the cart is displayed accurately with the correct information and pricing

Expected Result: The price displayed on the product page and the cart page should be the same.

Actual Result: The price displayed on the product page and the cart page are different.
